"The tournament itself is a testament to the kind effect Brian had on people. Even though he's gone people still feel an obligation to do what they can in his memory. Without a doubt it's how he would want to be remembered by those who cared about him."

-Matt McGinley, Vice President

"The event is for a good cause, and even though I didn't know Brian personally I could tell there were a lot of friends and family who cared about him! Also, it is a fun, competitive tournament with tons of music, food, and drinks!"

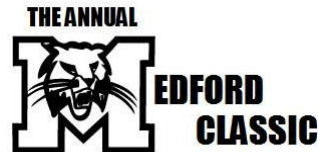

-Tom Brose

"I think this is a wonderful opportunity for Brian's family and friends to get together and remember him. The money we raise will help those who are going through what Brian went through."

-Cindy Sieber

"I started this event in 2006 because of the effect Brian had on my life. He was always energetic and enthusiastic about life and I wanted to preserve those memories through this event."

ABOUT US

Our organization was created by Mark Mares in 2006 to honor Brian Medford, former Shaler High School graduate and Penn State student, who fought Leukemia until March of 2006 at the age of 20.

The Annual Medford Classic has expanded from a single game between friends to honor Brian, to a three-on-three basketball tournament and community event.
