- **Players must call their own fouls** at the time of the infraction. Tournament officials will be present to settle disputes.
- Offensive fouls result in a change of possession.
- On defensive fouls, the offensive team will retain possession. If the shot is made on a defensive foul, the basket will count and possession changes. No free throws will be taken.

- **All decisions made by the tournament coordinator will be final.**

## Rules

- 1.) On changes in possession, the ball must be taken past the “check line.” The check line is behind the **foul line**.
- 2.) On dead ball situations (after a made basket, foul, or out of bounds), a player must put the ball in play from **behind the check line**. You must “**check**” the ball with the opposing team. The ball must also be entered into the court by a **pass** from behind the check line.
- 3.) **No time-outs** and time will only stop due to injury.
- 4.) Deliberate attempts to freeze the ball shall result in the **loss of possession**. The call will be made by the referee and the ball is dead after the call is made.
- 5.) Substitutions are only allowed during dead ball situations. **No exceptions**.
- 6.) Traveling/double dribble/carrying will result in a loss of possession.
- 7.) **Fighting will not be tolerated**. Any player who fights will be removed immediately from the tournament without a refund.
- 8.) Intentional fouls will result in awarding the offensive team one point, and they will retain possession.
